Dear Students,
Since today marks the final unit of Semester One, I thought it would be a great opportunity to wrap up with some engaging activities focusing on some of the ICT vocabulary we have covered throughout the semester. This will not only help reinforce what you have learned but also make the session more interactive and enjoyable.

Across

2. Junk e-mail sent to many people at once, usually involving advertising or offering services. (4)
4. Pieces of equipment, such as the computer, keyboard, webcam etc. (8)
5. When your computer suddenly stops working. (5)
7. A computer expert who can break through security to damage computers with viruses or steal data. (6)
11. A program which protects your computer from damage by other users. (8)
12. A way of marking an internet website so that you can find it easily. (8)
13. A piece of software that is on your computer without your permission and runs against your wishes. (5)
15. A permanent high-speed internet connection. (9)
16. This thing on your screen can indicate two things: 1) where your mouse pointer is, or 2) where the next character typed will be entered in a line of text. (6)

Down

1. To move a file from your computer onto the internet. (6)
3. To replace something with a newer version. (7)
